2. Types of Leaves & Entitlements

Employees accrue the following leaves per calendar year (January 1 - December 31):

- **Earned Leave (EL):** 18 days per year, credited monthly at a rate of 1.5 days per month. Must be applied for at least 7 days in advance.
- **Casual Leave (CL):** 12 days per year. Can be used for half-days or short emergencies. Cannot be taken for more than 3 consecutive days.
- **Sick Leave (SL):** 12 days per year. For absences exceeding 3 consecutive days, a registered medical practitioner's certificate is required.
- **Paternity Leave (PTL):** 5 days of fully paid leave for fathers. Can be availed anytime within the first 60 days of childbirth.
- **Maternity Leave (ML):** 26 weeks of paid leave for female employees. [\[1, 2, 3, 4, 5\]](#)

3. Leave Rules & Regulations

- **Carry-Over Rules:** Unused CL and SL expire at the end of the calendar year and cannot be carried forward. Up to 10 days of unused EL can be carried over, but any excess above 10 days will lapse.
- **Clubbing of Leaves:** Leave types cannot be combined consecutively (e.g., clubbing 12 days of CL and 5 days of Sick Leave) without prior written approval from the Head of HR.
- **Notice Period:** Except in medical emergencies, a failure to notify a manager prior to taking an unplanned absence will result in the day being marked as Loss of Pay (LOP).

4. Approval Workflows

- All leave requests must be submitted and approved via the official [Company Name] HRMS Portal.
- Department managers have 48 hours to either approve or reject pending leave requests.
